Rennie Sampan

WordPress & Elementor Web Developer | 10 Years Experience

Professional WordPress and Elementor Web Developer with a decade of experience creating custom websites, managing hosting environments, and solving technical challenges for both agencies and small businesses. Skilled in designing responsive, modern websites and maintaining high-performing WordPress ecosystems.

Experienced in handling multi-site event systems (20+ per year), working with marketing teams, managing DNS setups, creating staging environments, debugging builds, and optimizing websites for speed and user experience.

Web Development

- WordPress & Elementor Pro
- Custom post types, taxonomies, & ACF
- Responsive / mobile-first design
- UI/UX layout strategy
- Landing page optimization

Technical Skill

- Hosting management (Cloudways, cPanel, Namecheap, GoDaddy)
- DNS setup (A Records, CNAME, Subdomains)
- Staging & deployment workflows
- Plugin conflict resolution
- Cloudflare setup (CDN, security, caching)
- HTML, CSS, JavaScript basics

Other Strengths

- Fast execution under deadlines
- Strong problem-solving skills
- Works well with cross-functional teams
- Comfortable managing 20–30 projects simultaneously

💼 Professional Experience

Akolade — Web Developer

Jan 2023 – Sept 2025

- Managed and developed 20+ event websites per year.
- Built dynamic speaker pages, schedules, and landing pages using Elementor + ACF.
- Maintained consistent branding across multiple event sites.
- Troubleshot technical issues for ongoing conferences.
- Optimized pages for speed, accessibility, and SEO.
- Supported staging → live deployments for each event cycle.

AlchemyThree — Web Developer

2022 – 2023

- Worked with a digital agency focused on strategy-heavy web builds.
- Built WordPress websites using Elementor and custom fields.
- Updated client websites, landing pages, and blog templates.
- Performed ongoing QA, site fixes, and maintenance tasks.
- Collaborated closely with designers and strategists.

Web Guro — Web Developer

2021 – 2022

Mason Jar Lifestyle (Colorado) — In-house WordPress Developer

2020 – 2021

Mobile First by Mark Zerafa — Web Developer

2020
